UNITED STATES DISTRICT COURT FOR THE DISTRICT OF MASSACHUSETTS

No. 04-12225 (RCL)
AGREED MOTION TO
EXTEND TIME TO
RESPOND TO THE
COMPLAINT
•

Defendants Michael O. Leavitt, Administrator of the U.S. Environmental Protection Agency, the U.S. Environmental Protection Agency ("EPA"), and Region One of the EPA (collectively "Defendants"), hereby respectfully move this Court to extend the time for the Defendants to file their response to the Complaint pursuant to Fed. R. Civ. P. 12 until December 27, 2004:

1. Plaintiff USGen New England, Inc. ("USGen") filed its Complaint on September 22, 2004, seeking an order instructing one of the Defendants to conduct an evidentiary hearing regarding the terms of a National Pollution Discharge Elimination System ("NPDES") permit for one of its electrical generating facilities known as the Brayton Point Station.

- 2. The Defendants' response to the Complaint is currently due by December 22, 2004, pursuant to Fed. R. Civ. P 12(a)(3). No scheduling order has been entered in this matter, and no trial date has been set.
- 3. Defendants would have difficulty responding by this date, however, due to holiday-related delays in obtaining required EPA and Department of Justice approvals. The Plaintiff and Defendants have conferred, and all agree to extend the date by which Defendants respond to the Complaint to December 27, 2004. The parties do not believe that they will be prejudiced by this extension, and note that no other submissions have been made and no proceedings have been scheduled in this matter that would be affected by the proposed extension.

WHEREFORE, this Court should extend their time for the Defendants to file their response to the Complaint to December 27, 2004.

Respectfully submitted,

Dated: December 16, 2004
